PERSONAL

ABOUT ME

Birthday : July 4th, 2000
Gender : Male
Nationality : Vietnamese

Passionate Industrial Engineering enthusiast dedicated to applying AI models and XR solutions for problem-solving in Operational Research. Excited about the power of data analysis to drive informed decision-making and optimization.

EDUCATION

Polytechnique Montréal - Université de Montréal, Canada

Sep 2026 – Aug 2029

- Doctor of Philosophy in Industrial Engineering
- RA in Laboratoire en intelligence des données (LID)

Unite! Research School - Politecnico di Torino, Italy

May 2026

- Digital Transition track Industry 5.0, scholarship from Erasmus BIP

I-MEP² Doctoral School - Université Grenoble Alpes, France

Sep 2025 – Aug 2028

- Doctor of Philosophy in Industrial Engineering
- RA in G-SCOP lab | TA in Grenoble INP - UGA

Grenoble INP - Université Grenoble Alpes, France

Sep 2023 – Jul 2025

- Master's in Sustainable Industrial Engineering | GPA: 15.15/20.0
- Scholarship from the Graduate School - UGA for this degree

Da Nang University of Science And Technology, Vietnam

Sep 2018 – Mar 2023

- Bachelor's in Industrial Engineering and Management | GPA: 3.45/4.0
- Encouragement scholarship for 5/9 semesters

PUBLICATIONS

From Knowledge-Based to Learning-Based in Product-Process Configuration: a systematic review

2026

- 13th Conference on Mechanical, Design Engineering & Advanced Manufacturing (JCM2026), France

Integrative Machine Learning models for Manufacturing Time Estimation across Diverse PF in ETO

2025

- Advanced Engineering Informatics | IF 9.9 (status: minor revision)

Hybrid Learning Chain for Manufacturing Time Estimation Across Multiple Product Families

2024

- 11th IFAC Conference on Manufacturing Modelling, Management and Control (MIM2025), Norway

Developing a smart factory framework: a case of ceramic tile manufacturing

2023

- University of Danang - Journal of Science and Technology (UD-JST) | ISSN 1859-1531

SKILLS - INFORMATICS CERTIFICATE

Programming Language [Python, SQL, R, C/C++, C#]
Data Analysis & Visualization [Tableau, Power BI]
CAD/CAM software [AutoCAD, SketchUp]
Simulation software [Arena, Plant Simulation]

AREAS OF CONCERN

Operational Research
Machine Learning
VR/AR Simulation

LANGUAGES [TOEIC 975, French A2, IELTS 6.0]
